

PISGAH WOMEN'S MINISTRIES NEWSLETTER
JUNE, 2015

Theme Verse: Titus 3:5a

“He saved us, not because of righteous things we had done, but because of His mercy.”

Thank you to all those who placed roses in the Church for Mother's Day. The red and white roses were just beautiful. Thank you to Barbara Oates who was in charge of organizing this for us and who did a great job.

Myra Carson, Treasurer, reports that PWM made a profit of \$829.55 on the Parade of Tables Project. Income was \$1,500.00 and expenses were \$670.45 leaving \$829.55 to add to our project fund. Again, thanks to all involved. I am in thought process of appointing a Committee to recommend how our projects monies will be spent for 2015. This Committee will be announced at a later time.

Myra Carson also reminds Circle Treasurers it is time to get monies into her for second quarter as soon after June Circle Meeting as possible. It is also time to be thinking about Life Memberships (\$75.00), Love Gifts (\$30.00), Memorials (\$30.00) and Partners in Ministry (\$100.00). Please note that the amounts for these gifts have increased this year. Also, this information is due to Myra immediately after our June meetings.

Vacation Bible School will be June 21-24. Donna Forbes, World Missions Chairman, has been working hard on the adult portion. She has prepared a brochure, which I understand is ready, giving details on the speakers for the week. Look for this in the Post and in Bulletin. It is a program that I am sure will be interesting to all. On Sunday night, we will have an international covered dish dinner at 5:30 PM. This is the night for our Jubilee Birthday Party and Michael Cochran and his wife, who are missionaries to Spain, will be our speaker. The Circles will need to provide two pound cakes for the Birthday Party. Please give the names of those who will be baking cakes to Donna. Please come out and enjoy!

Cherrie Weaver, Witness and Outreach, reminds us that July is Pisgah's month to collect food for Crisis. She will place boxes in the Elliott Center to receive the food. Food can be brought at any time. Please give generously to this outreach project.

Also remember that The Family Bible Conference will be held on July 27-30 at Bonclarken. Lodging has been reserved at the Bonclarken house. Please consider going this year and let Susan Jenkins or Judy McCarthy know if you need additional information or reservations.

Father's Day is June 21 and we will honor our Fathers with paper boutonnières. Evelyn Spearman has volunteered to make these for us and furnish the materials. Thank you so much Evelyn!

The PWM will sponsor the Backpack Ministry at Chapel Grove Elementary again this year. Beverly Baysden will head this project up for us. Items will be collected for this project each week throughout the summer. Collection for June will be for these items: 6/9 Wide Rule Loose Leaf Notebook Paper , 6/14 Pencil Top Erasers, 6/21 Backpacks, 6/28 Hand Sanitizer and Antibacterial Wipes. If you would like to give a monetary donation towards this ministry, it will be used to purchase items that are needed to complete the backpacks and will be very much appreciated. If anyone who would like to help with this project, please contact Beverly Baysden.

Be sure to save the date, Saturday, September 19, 2015, for our Fall Project, Pisgah Community Day. There will be a tag sale, bake sale, car show, sale of Boston butts, activities for children, and of course, food. Please begin to save items for the tag sale and to think about items for the bake sale. We will hear more about details later, but if you have questions, contact Treasure Teague for more information.

DATES TO REMEMBER:

June 7 Graduation Sunday, Lunch to Honor Graduates
June 7 Senior High Lunch – Appalachia Fund Raiser
June 14 Father's Day
June 21-24 Vacation Bible School
June 21 International Covered Dish at VBS
